

Konstantinos Koutsoukos Appointed ASECAP President for 2025

ASECAP, the European Association of Operators of Toll Road Infrastructures, is pleased to announce the appointment of **Konstantinos Koutsoukos as President for the year 2025**. This decision was made during the General Assembly held on November 25th in Dublin.

Konstantinos Koutsoukos brings over 25 years of extensive experience in road infrastructure, both in Greece and the United States. A graduate Civil Engineer from Aristotle University of Thessaloniki in Macedonia-Greece and a Master Degree in Transportation of the University of Minnesota and a Master in Economics from the University of Texas. He has been a key member of "Egnatia Odos SA" (EOAE) since 1997, where he has held various senior management positions. His career includes:

- Specialization in traffic engineering, operation and tolling issues for tollway projects
- Six years of experience in Texas, where he was responsible for designing Intelligent Transportation Systems (ITS) for motorways, as well as tolls
- Leadership roles within Egnatia Motorway
- Past President of HELLASTRON (the Hellenic Association of Road Infrastructure Concessionaires)
- Membership on the board of IBTTA (International Bridge, Tunnel and Turnpike Association)

Vision and Commitment for the Future

"I am particularly honored to serve as ASECAP President in 2025," said Konstantinos Koutsoukos. "I am committed to dedicating all my efforts and energy to face the new challenges ahead." Koutsoukos emphasizes the critical need to invest in decarbonizing road transport and to maintain resilient road infrastructure that addresses environmental issues. He stated, "I will build on my predecessors' work to highlight our sector's contribution to the economy and society. Road infrastructure plays a vital role in achieving the ambitious goal set by the European Union to be carbon neutral by 2050."

A Strong Board to ensure the continuity of the Visionary Future

The ASECAP Board for 2025 is composed of leaders from various European toll road associations and companies, ensuring a wealth of expertise and representation:

- **Mr. Julián Núñez**, SEOPAN President, serves as Immediate **Past President of ASECAP**
- **Mr. Christophe Boutin**, ASFA Executive Director, is the **First Vice-President**
- **An AISCAT Representative** serves as the **Second Vice-President**
- **Mr. Manuel Melo Ramos**, APCAP President
- **Mr. Herbert Kasser**, CFO of ASFINAG

ASECAP Board, led by the officers, are responsible for charting the vision and course of the association," said Malika Seddi, ASECAP Secretary General. "That vision is to promote improvements and contribution of the toll road infrastructure company around Europe to reach net zero fatality and net zero carbon through sustainable funding, financing, and charging solutions that the tolling industry is known for. Now more than ever we need strong leadership to advance that vision, and we are fortunate to have officers with the passion and expertise to do that."

About ASECAP - www.asecap.com
